REAL Consulting

Cost and Project Management

Join Us

REAL Consulting LLP is a team of highly respected construction cost and project management professionals based in Norwich, offering services across East Anglia and beyond. We have an enviable culture built around the loyalty and friendship of like-minded people who enjoy what we do and have fun along the way. This is demonstrated by our significant level of team retention.

The strength of our continued project pipeline, along with our planning for the future, means we are looking for Associate Quantity Surveyor, Senior Quantity Surveyor and a Quantity Surveyor to join our team.

Associate Quantity Surveyor

Necessary Qualifications and Skills:

- Member of the Royal Institution of Chartered Surveyors (MRICS)
- Strong verbal and written communication skills
- Ability to work in a team to meet common objectives
- Excellent organisational skills to allow management of multiple tasks, support other team members and meet client deadlines
- Commercial Experience across all sectors
- Proficient use of Microsoft Office applications including but not limited to Excel and Word
- Knowledge of using CostX or similar cost planning software, desirable but not essential
- Knowledge of JCT suite of contracts essential. NEC contract experience desirable, but not essential
- Full, clean driving licence
